F.MEYER &CO in bankruptcy – hanger orders directly with Nordic Hangers AB

It is with regret we have received the information that our agency in Denmark, F.Meyer & Co, has on Oct. 10th, 2008, filed bankruptcy.

For our customers it does not change anything in our business execution – **as usual, all inquiries and orders continue to be registered and executed directly between our customers and Nordic Hangers** (incl. the brands Mainetti, A&E Karner, Turesson). For hanger supply it is business as usual – only the contacts are changing.

With immediate effect please contact us directly at Nordic Hangers AB for inquiries, orders and questions regarding your hanger requirements.
